Aimee Dougherty-Clinical Manger, Northern Illinois Hospice Kaylee Abbott-3<sup>rd</sup> Semester evening/weekend Nursing Student Lea Elder Program Manager, NW Medicine Kishwaukee Hospital Diane Broadley Đirector of Patient Care Services, NW Medicine Kishwaukee Hospital xHeld on Tuesday, October 24, 5pmm. There was a steadynd solid attendance throughout the night. Plenty of nursing students were on hand displaying their skills and knowledge

d. Campus Conversationshe impact of Al

xJust like all industries, higher education is navigating the impact of Al. Faculty are exploring how to incorporate it in their teaching, and how to

f If any site requirements change, please send an email with the updates

## III. Partner Updates all

g. Employment outlook still Nursing positions open regionally, most available are night shifts. Sites have been working hard to reduce turnover internally

xFaculty member Kathy Schnier stated that students are getting phenomenal experience at Kish Hospital, very evident that they are fully staffed and it is making a difference

xCrusader Clinic will be opening a new facility in the Spring so more positions will be available

## h. Internship opportunities

xSummer 2024 internship and externship positions(paid) at NM will be posted midDecember through January

xStudent representative Kaylee Abbott shared her experiences as part of the summer internship program. She stated it was one of the best experiences of her program and has made her more confident about her skills

## IV. Additional discussion

- x Angie asked if having more nurses means they can take on more students at Kish, Vietinghoff (NM)responded it has not changed but they do look at it every semester
- x Haley (faculty)nquired if an evening shift could be possible at Kishtinghoff will investigate possibilities
