I. Program Updates

a.) Program Outcomes:

Since January 2022, 25 students have completed the CDL program. The

program has a 90% pass rate on the 1st or 2nd attempt. Students
complete their exam at the West Chicago facility. Seven students are currently in

Upcoming classes:

March 27 - June 1 (5-9:30pm) (Night Class) – is full with a waiting list

March 27-April 24 (7am-3pm)

May 1-May 25 (7am-4pm)

Two classes will be offered in June and another two classes in July.

Students are finding out about the program from various social media, website, businesses, and word of mouth. Staff will continue to promote the CDL program. Also share success stories from past KC students.

b.) Registration Process:

Students complete an interest form, then staff emails student information

III. Questions/Answers

KC staff asked employers if they have any of the KC students employed at their companies to please send us success stories for marketing purposes.

XPO told instructors they can stop by XPO logistics facility with the KC-CDL students.
